

She is beautiful, lithe and swift: as deadly as the blade flashing in her deft grip. The blood of kings runs strong in her veins---but her weakling brother wears the crown. She is Bronwyn. And her name strikes fear in the hearts of the depraved courtiers feasting like jackals on the corpse of her father's kingdom. Her brother may rule the land, but a ruthless maniac is the puppet master behind the throne. And he has put a price on the head of the fugitive princess, who alone knows the secret to his power. To save her kingdom, Bronwyn must enlist a rebel force of gypsies and giants, peasants and pirates, montebanks and changeling spies... This is a work of fiction. All the characters and events portrayed in this book are fictional, and any resemblance to real people or incidents is purely coincidental. At the publishers request, this title is sold without DRM (Digital Rights Management).
