

For years, the Departments of Defense and Homeland Security issued warnings – the United States was vulnerable to a cyber-attack. It was 2017 when the attack was finally launched, coming from a direction that no one had predicted, with consequences beyond imagination. Wyatt and his family were already on the down and out. Years fighting through a struggling economy, tight credit, and government regulations had already taken their toll. When society collapses, they have one chance left – a lifeboat awash in a sea of anarchy. There is a place of safety, a deserted island nicknamed Crusoe – but it won't be easy. The journey requires passage through a landscape decimated by riots, ravaged by desperate looters, and plagued with ruthless pirates. Apocalypse Drift is the adventure of an everyday American family as they fight for survival in a world gone mad.

Yellow Woman and a Beauty of the Spirit, Reusable Centaur Study - Vol. II: Final Report, Journal of Vertebrate Paleontology, September 2000, Supplement with Abstracts of Papers, 2000, Journal of Vertebrate Paleontology, Volume 20, Number 3, Supplement : pages 1-86., Bears 2005 (Calendar), Star Wars Legends - La saga dell'Impero Cremisi 2 (Italian Edition),
