

On the mend from his recent ordeal on Pandara in the Hyperian Sector, Colonel Jesse Marcos is thrust into a fight to the death with the evil Garrinoras in an effort to keep the Lawless Sector from descending into all-out war. Can his newly recovered body stand up to a grueling contest to the death against the dominant, seven-foot alien warrior? The odds all seem to be in Garrinoras favor, but Jesse and the crew may still have some tricks up their sleeve. Meanwhile, things are not going well for Jesses family and friends in the Milky Way Galaxy. Danger lurks behind every corner as all of the leadership of Sea Side Enterprises comes under attack from hidden foes with traitorous agendas. Will Jesses inner circle last long enough for him to make it back from the Kalephi Galaxy, or will all that Jesse has built be destroyed? The action keeps coming throughout Death Match and culminates in an edge-of-your-seat cliffhanger leading into the final book: Total Betrayal, due out late April of 2014.
