

Falling Ashes (The Fire Mage Trilogy Book 3)

Avalon has made a lot of dangerous enemies. The Realm has issued a bounty on the infamous Fire-Mages head, labeling her leader of the human-alliance, and traitor to Mage-kind. Soon, strangers begin to recognize Avalon after seeing her wanted poster in the streets, and seek to earn the cash reward for her capture. Forced to go into hiding, Avalon flees, not knowing who to trust, or what to do. Yet something frightens Avalon more than the Realm; her own burning desire for revenge which threatens to consume her, and turn Avalon into the monster the government depicts her to be.
