

Cwl Wines Of Rioja Ebook (Mitchell Beazley Classic Wine Library)

Over the last decade, Spain's most classic and widely recognized wine region, Rioja, has experienced a tumultuous evolution in its wine industry. This book documents the changes in wine law, the heated debates between the network of estates, bodegas, and growers, and the problems of overproduction. All aspects of the wines of Rioja are covered in detail from the traditional estates to the most innovative bodegas to the newest styles of red and white wines available. There are comprehensive, in-depth profiles of producers and their wines, with opinions and observations from the world's most recognized expert on Spanish wine.
