Just when you think you have it solved, Grayson throws you a wild curve. It was an excellent read. I highly recommend it. Mack McCormick Author, Terrorist at the Bus Stop Angel Dance was so much fun to read that I completed it in one day in Cape Cod on vacation. In fact, I resented anyone who interrupted my reading time! Bella Luna Book Reviewer Overview: Gina Fiore - beautiful Seattle heiress has vanished. A foreign drug cartel and a Chicago organized crime family are looking. Can Danny Logan rescue her before the noose closes? More praise for Angel Dance... Stuart Woods WAS one of my favorite authors, with the ability to put an unexpected twist to the story, but look out, first time novelist MD Grayson has written a smart and colorful page turner. I never thought I would enjoy a wild ride through drug cartels and crime families, but a weekend read, turned into a book I could not put down..... Cant wait for the next book! Jan Porter Book Reviewer With two more books in the works and a cast of interesting characters awaiting development, this author is worth watching.
