

Deborah Schenck Roses Notecards (Deluxe Notecards)

Artist Deborah Schenck finds inspiration for her photographs while taking countryside walks and exploring antique shops near her home in Vermont. Originally from England, where she worked as a professional photographer with a passion for historical photographs, she was drawn several years ago to the old print look of Polaroid transfers, a process by which a photographic image is transferred to watercolor paper rather than photographic paper. Her images, which she further enhances with paints, capture the simple and subdued beauty of flowers, seashells, and antique objects, and are among Chronicle Books best-selling notecards. The Deborah Schenck line is a tribute to the delicate colors, nostalgic imagery, and the textured look and feel of handmade objects that Deborah strives for in her photographs. Our notecard collections, with 20 assorted cards and envelopes, are a sleek and affordable alternative to boxed notecards and showcase a dazzling array of contemporary art and photography.
